

問題 執行時出現此問題

解答 此寫法是 32bit 使用，64bit 需修改如下

Private Declare PtrSafe Function EnumPrinters...

參考-網路解答

<http://forum.twbts.com/thread-19224-1-1.html>

參考-問題原因

“All Declare Statements must now include the PtrSafe keyword when running in 64-bit versions of Microsoft Office. The PtrSafe keyword indicates a Declare statement is safe to run in 64-bit versions of Microsoft Office.”
